NOTES AND ORDERS.

6 A loan of Rs 3000 was sanctd. to the Matt out of the Genl. Muz: Fund to meet the [illegible] expenses of installation of a new Aiyya to the Matt and it was advanced on the personal security of Mr M. C. Linganna and another solvent gentlemen - (vide G. O. No 1274-7/ Muz 52-24-28 of 2·2·28)

2 The loan mentioned of being repaid within 6 months as already agreed upon, there is an application now from the Mill agent for a further loan of R 6000 for purchase of land and construction of a mill building. The Mng. Comr. states that the mill is provided to have sufficient credit a sum of Rs 1,000 and in addition to this he recommends the grant of a loan of Rs 5000 out of the Spl. Mng. Fund, the total amount of Rs 1,500 being made repayable in 4 years by half yearly instalments of Rs 2500 beginning from the 1st October. A decision is proposed to be given on sufficient security.

3 The following points seem to require consideration in this matter:-

1) Is the Mng. Fund for not a proper head to allow a mining loan for such purposes unless any of the interests is connected with mining? Also whether the loan should be given on condition for such purposes. A copy of the budget of Receipts & Expenditure for 1928-29 of the Fund is put up for ref.

A loan of Rs 18,000 was, however, sanctioned as a special case to the Sri Rajarajeswaraswami for the construction of a mall building and new Sooale as to the old buildings destroyed owing to the damage caused by floods. [Vide Hon'ble Member's minutes in paras 15 & 16 in Mug. file 378 26].

4. The case of the Arulmuchaungiri matt in point differs from the above - & it has neither land nor any security to offer for the loan, & has no source of income from which the loan can be repaid. How the M C proposed that the loan may be made repayable in half-yearly instalments of Rs 2000 is noteable. When the personal securities of two influential men may be considered adequate for the amount to be advanced by you, it is for consideration & orders.

SIR,

Referring to Government Order No.1245-7/Muz.52-24-28 dated the 2nd February 1928 sanctioning among other things an advance of Rs.3000/- from General Muzrai Funds to Mr. M.C.Linge Gowda on behalf of the Adichunchinagiri Matt, on the security of himself and another solvent gentleman, the loan being repayable within 6 months, I have the honor to state that Mr. Linge Gowda states that it is not possible to repay the amount within the stipulated period and that the time may be extended by one year. He further wants a loan of Rs.6000/- for constructing a new matt building which is stated to have been estimated by Mr. Krumbiegel to cost Rs.12,000/- The Matt wants to buy certain lands in the Nayasandra village of the Tuvekere Sub-Taluk, Tumkur District at a cost of Rs.3 to 4 thousand rupees. The Matt is reported to have now in the Nagamangala Taluk Savings Bank a sum of Rs.5000/- . Taking into consideration the necessity of the matt to have a new building at a cost of Rs.12,000/- and to possess lands worth Rs.4000/-, while it has at its credit only Rs.5000 apart from the liability of Rs.3000/- payable to Government, I beg to recommend that Government may be pleased to grant a further loan of Rs.5000/-, the total amount of Rs.8000/- being made repayable within two years by half-yearly instalments of Rs.2000/-, beginning from the next calendar year. The amount may be advanced to the Matt on sufficient security, the charge being met from General Muzrai

To

Secretary to the Government of His
Highness the Maharaja of Mysore,
Financial Department.

SIR,

With reference to your letter No.246/M.F.15-28-2 dated 1st August 1928 regarding the grant of an additional loan to the Adi Chunchangiri Matha, I have the honor to state that the Matha by itself has not got any cash or land inams endowed to it. The Matha is in the enjoyment of Sircar lands valued at Rs.9400-0-0 in addition to other immoveable property, as detailed in the valuation statement prepared in March 1925. It was also estimated then that the total annual receipts on account of income of produce on Matha lands, realizations during the Jatra by way of Kappa, Kanikes etc., come up to Rs.7800/- a year and the expenditure to Rs.4100/- resulting in an annual surplus of Rs. 3700-0-0 (vide statement enclosed). Now that there is a Swami presiding over the Matha it may be anticipated that there will be an appreciable increase in the income of the matha and that it will be possible for the matha to discharge the liability as proposed in my letter of the 9th July 1928.

2. As regards the nature and extent of the security offered, I beg to state that Mr. Linge Gowda's petition dated 26-6-28 is silent on the point. The loan has to be advanced on the security of the lands and other property owned by the matha - the particulars of which are furnished in the statement referred to above.

They have already Rs.5000/- in the Treasury. It is proposed

proposed to utilize the amount in purchasing lands at Mayasandra for which a separate recommendation has been made to Government in this office letter No.1227/27-28 dated 6th August 1928. These will form additional security and thus there is ample security for giving the loan.

I have the honor to be,

Sir,

Your most obedient servant,

Muzrai Commissioner.
